Youth Animal Project Agreement

The youth is responsible for caring for the animal, which will include feeding, deworming, providing fresh clean water, providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal.

I accept these responsibilities

(Date)

(Signed By Youth)

The parents are responsible for providing financial help if needed along with assistance and encouragement while the youth is raising this animal.

(Date)

(Signed Parent or Guardian)

The 4-H Leader or FFA Advisor is responsible for visiting the youth and the animal to give assistance when needed.

(Date)

(Signed 4-H Leader of FFA Advisor)

The Purpose of this animal project is to achieve the following:

- a. To acquire an understanding of the animal industry by preparing for, purchasing, caring for, and keeping records on one or more head of animals.
- b. To be able to identify the types and breeds of animals and employ efficient methods of production and marketing.
- c. To understand the business aspects and economics of purchasing animals, feed facilities, and equipment for an animal project.
- d. To develop integrity, sportsmanship, and cooperation
- e. To develop leadership abilities, build character, and become responsible citizens.

Choose several goals for your project. Goals should be established at the beginning of your project. They should be challenging, yet attainable. Goals should include all aspects of your project. At the close of the project, the achievements should be compared with your goals.

- Raise my animal(s) to completion and exhibit at the fair
- Have my animal(s) meet breed standards for the ideal breeding animal
- Learn how to groom and clip my project animal(s)
- Take full responsibility for fitting and showing of my animal(s)
- Complete my record book to the best of my ability
- Market my project in a professional manner
- Complete a demonstration or presentation of my project - ***Required for all exhibitors***
(Reference your demonstration in project story and project photos)

ID or Registration #: _____ Birth Date: _____

Date Purchased: _____ Weight at time of purchase: _____

Project Story

Your story should make a point and have interesting facts or experiences that give the judge an understanding of what you did and learned with this project. Remember grammar, spelling, and neatness will be observed by the judges. **Minimum is: one full page typed single spaced with 14 font.**

Your story should follow this outline:

~ Introduce yourself with your name, club or chapter, how long you have done this project and why you chose this project.

~ What did you learn and how?

~ What safety practices did you use?

~ What is something you would do to improve this project?

~ What skills did you learn or improve from other projects?

~ What thought do you want to leave the judge about you and this project?

Project Photos

Each picture should reflect the entire project. An explanation/caption should accompany the picture and tell how it relates to your project.
