

2019 General Truck Rules

General Truck Rules

1. Must have Receiver Style Hitch fixed in all directions, not to exceed 26 inches to the top of hook point, with a minimum 3 inch inside diameter. 2WD modified class allows 28 inches.
2. All classes have a two-driver limit, per truck/class.
3. Only one driver is considered for Award Placing (Points, Trophy, Money, etc.). No passengers.
4. D.O.T. approved tires only.
5. No loose weights - all weights MUST be secured, no hanging weights or weights exceeding the bumpers in stock classes.
6. Sled chain may be lengthened or raised for a pull off by track officials.
7. At the end of pull, back out of throttle so sled does not ram rear of truck.
8. All trucks must cross the scales immediately before they pull.
9. Failure to follow flag man's instructions (stop for red flag) will result in a disqualification.
10. Age Restrictions: Drivers must be at least 14 years of age with parental consent.
11. Diesel trucks pull the Diesel Class only.
12. All trucks must be safe to pull at the track official's discretion.
13. At least 3 trucks are required to make a class.
14. No NOS or propane permitted in any class.
15. All diesels with open (after-market) exhaust must have safety crosses installed after the turbo.
16. 4X4 may disengage and pull in 2WD
