Youth Animal Project Agreement

(To be completed at beginning of project)

The youth is responsible for caring for the animal, which will include feeding, deworming, providing fresh clean water, providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal.

I accept these responsibilities

Date

Signed - Youth

The parents are responsible for providing financial help if needed along with assistance and encouragement while the youth is raising this animal.

We accept these responsibilities

Date

Signed - Parent or Guardian

The 4-H Leader or FFA Advisor is available to visit or assist the exhibitor with their animal when needed.

I understand these responsibilities

Date

Signed - 4-H Leader or FFA Advisor

***NOTE: The drug statement at the back of this record book must be signed by the youth and the parent/caretaker at the beginning of this project.**

PURPOSE

The purpose of this animal project is to achieve the following:

- ◆ To acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping records on one or more head of animals.
- ◆ To be able to identify the types and breeds of animals and employ efficient methods of production and marketing.
- ◆ To understand the business aspects and economics of purchasing animals, feed facilities and equipment for an animal project.
- ◆ To develop integrity, sportsmanship, and cooperation.
- ◆ To develop leadership abilities, build character, and become responsible citizens.
